# SHORTHORN SALE

**Fort Worth, Texas**

**FEBRUARY 4, 1948**

# Tops as Profit Makers

**The Swing**

**is to**

**Shorthorns**

The most profit in beef production results from the ability to gain the greatest weight at the lowest cost. That's why the Shorthorn lines of progress are going up. Range producers are buying Shorthorn bulls by the carload to use on range cows for that added finish and extra 50 to 100 pounds more in weight from grass fed steers. Demand grows greater daily. You can't beat the breed's propensity for early maturity and greater weight at any age.

We need your help to supply this unfilled demand and there is no better place to get your foundation herd of Shorthorns than in this sale.

The 16 bulls which have been selected will cover a wide range of herd needs, and with the 27 females, have been chosen from leading herds of the Southwest and Midwest to meet the growing demand in Texas for foundation Shorthorn stock. If you cannot attend we are ready to help buy one or a carload for you at no commission cost. Write or wire us.

Claud Willett, The Cattleman, Fort Worth, Texas.

**AUCTIONEER:**—Hamilton James, Newton, Illinois.

**TERMS:**—The terms of this sale are cash. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from purchasers. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

**INSURANCE:**—Coverage may be secured effective at the time of sale.

**GUARANTEE:**—All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale or will have certificates of Bangs calfhood vaccination, and those that are not from Accredited Herds have passed a clean tuberculin test within the same period. Health certificates will be provided with each lot sold.

**LIABILITY:**—Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneer or clerks, can assume any liability for accidents.

**CURTISS CANDY CONQUERER**—a bull with an outstanding head, very thick and meaty, and bred to be a sire of good cattle. His dam and sire are both by the "All American Favorite", Edellyn Royal Leader. His dam was one of the tops in an Edellyn Sale. His type and color recommends him to the most critical buyer.

# The Swing is to Shorthorns

1. Shorthorns this year enjoyed their greatest year in steer triumphs in inter-breed competition throughout the nation. 2. The average price for Shorthorns at auction in 1947 went up 24 percent. 3. Demand for Shorthorn bulls for cross-breeding has been the greatest in modern history topped off by the highest record in bull sale averages in 30 years at the International Shorthorn Congress sale. 4. New memberships in the American Shorthorn Breeders' Association in 1947 hit an all-time high of 2,333, double in six years the entire number for all time up to that date.

# Pace Setters

The Shorthorn steer record of 1946 and '47 has been the most colorful in breed history because great bulls have been used to provide championship inheritance. In almost every instance our steers were put into grand or reserve grand positions in far out-numbered competition from other breeds, but the modern dressing and ideal conformation of the Shorthorn clamored for top spots and got them. The three shown here were the winning steer herd over all breeds at the 1946 Chicago International.

To encourage owners of good Shorthorns to pick better calves for steers and to see them get into top competition with other breeds at major shows, an extra bonus of \$1,000 has been established by the American Shorthorn Breeders' Association for the exhibitor of a Shorthorn steer adjudged grand champion over all breeds at the Chicago International, Kansas City Royal, Fort Worth or Houston Fat Stock Shows, and the Denver National Western. In the case of a breeder who can't use that extra thousand dollars, there is many an expert fitter and showman among the 4-H or FFA boys and girls who would be glad for the chance to win it if the Shorthorn steer is made available to them. You will find bulls in this sale that will sire the type of steers that can make you eligible for this \$1,000 bonus.

### UNIFORMITY HAS CASH VALUE

A very significant part of the wealth producing ability of Shorthorns rests upon the cow herd. Cows like these are the backbone of efficiency of any herd. They combine pedigree, individuality, prolificacy and long life. They are reliable as regular producers of the kind of calves that go on into other herds contributing improvement and popularity for Shorthorns and bring ever-increasing wealth to the owners.

Perhaps no one thing inspires more confidence on the part of a buyer than to see a uniform bunch of matrons like these. But securing uniformity is not a matter of chance. It is a matter of careful planning. In choosing a herd unit of females it is all important to your future success in the business that you buy cows of uniform type. The animals offered in this sale are all from herds noted for their uniformity as well as modern type and impressive bloodlines.

# \$49,000 for 105 Steers

This champion load in the Short-horn carlot division of the first postwar Chicago International Live-stock Show illustrated the extreme profitability of today's commercial type Shorthorns. Their earlier maturity gives the advantage over other breeds of being ready for competition for market early or of being able to hold bloom longer for

more profitable later showing or sale if necessary. These averaged 1,045 lbs. around and were exhibited by Hugh Morris of Ainsworth, Iowa, who brought seven loads of Shorthorns to the show—105 head of the best shipment of heavy cattle of any breed ever seen at Chicago by many yard experts. They were purchased as feeders in Colorado and Montana at around 500 lbs. average and at about \$26.75 per cwt. In addition to the breed championship they won a 1st, two 2ds, a 3d, 4th and 5th prizes. The champions sold at 50c a lb.; one load not entered for competition sold for 38c a lb. The 105 head averaged a fraction over 41c a lb. to gross over \$49,000 not including more than \$600 in prize money. **YOU CAN'T BEAT SHORTHORNS AS MONEY-MAKERS!**

**CURTISS CANDY L ROSEWOOD 4th**—this heifer combines the best bloodlines in the Curtiss Candy herd. Her dam is by Edellyn Peerless Mercury whose get were so successful at the major shows in 1947, and out of a Marshall bred imported Rosewood cow. This showy, thick fleshed heifer by Curtis Candy Leader combines the blood of "Mercury" and "Royal Leader" with the best imported females. She is a real foundation female and sells open.

In the last few years more active members have enrolled with the American Shorthorn Breeders' Association than with any other beef breed. In addition to the wide new markets created, further reason for our rapid growth is the savings in recording fees accorded to members. Every member upon joining immediately receives a 50 percent saving on all registration and transfer fees. NO OTHER CATTLE REGISTRY ASSOCIATION can match OUR LOW COSTS of MEMBERSHIPS, REGISTRATIONS and TRANSFERS.

A Life Membership costs only \$10 plus annual dues of \$1. In addition to reduced registry fees, your name goes on the lists of breeders sent to all prospective buyers as sources of supply—you have a vote in the election of delegates and directors, and best of all your membership fee is PUT IMMEDIATELY TO WORK finding NEW BUYERS FOR SHORTHORNS—the GREATEST BREED OF CATTLE ON EARTH.
